MEMORANDUM FOR THE DEPARTMENT OF STATE REPRESENTATIVE ON
THE GOVERNING BOARD OF JIOA

Subject: JIS - Application in US Zones, Germany and
Austria of Policy Preventing Departure of
Scientists and Technicians

1. The JIS has asked me to approve the attached paper. I requested that first it be referred to the Governing Board JIOA for concurrence and have been advised that though the Director of JIOA concurs, he stated that it was not a matter for consideration of the Governing Board.

2. I am requesting, therefore, that you review the paper and furnish me recommendation of action you suggest for Col. Eddy or myself to take in our capacities as members of the JIC and JIS, respectively.
